

USB port storage not working

Posted by lenovoadmin - 06 Jan 2017 07:26

startrunregedit:

HKEY_LOCAL_MACHINE\SYSTEM\CurrentControlSet\Control\USBSTOR

right-click on USBSTOR permissions - advanced - add -

Enter the object name "select a logged-on user"

Allow Full Control

OK

Now try to change:

"HKEY_LOCAL_MACHINE\SYSTEM\CurrentControlSet\Services\UsbStor";
"Start=3"
