Lenovo Care support

With Lenovo, service and support is everywhere you need it: on the system, on the Web,

on the phone... and on the way.

- On-the-system: Expertise at your fingertips

The Lenovo Care portal is a preloaded set of tools on Lenovo desktop computers

which can resolve most common system problems and help save time.

- On the Web: Online support that's always there

Get Lenovo drivers, downloads, maintenance manuals and technical support

documents for your Lenovo personal computing products. Our Web-based

eSupport is available

- On-the-phone: International support

Of course you can call us. Lenovo works with IBM to provide the world's most

comprehensive service and support¹

help provide quick diagnosis and repair support for warranty-related matters.

- On-the-way: Bringing powerful support to any size business

Exceptional local service and support relationships with 3000+ Lenovo-authorised

service providers and a comprehensive, worldwide service network means we've

got support in a location near you.

• Warranty:

We offer a one-year limited warranty with optional plans to up to three years.

Teaming with IBM

Award-winning service and support makes Lenovo PCs an even greater value.

Lenovo systems are designed for reliability and Lenovo Care support tools and

information can help keep you working worry-free. One particular worry you won't have

with a Lenovo computer is wondering if you can count on getting reputable service and

support should you need it. That's because you're not only getting the latest design and

. IBM customer contact center technicians

features in your Lenovo PC, you're also getting award winning IBM service, too!
